

# Take the My Energy Kit CHALLENGE

Help your school save 20,000 kWh by requesting your **FREE** Energy Kit

Your school has conserved the resources it takes to power a **HOME** for an **ENTIRE YEAR!**

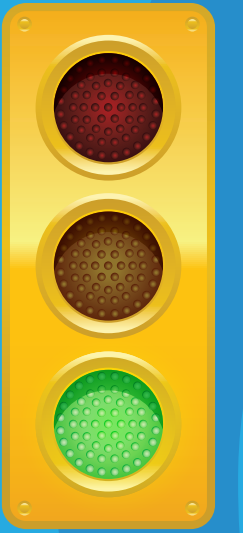

**20,000 kWh SAVED**

**100 KITS**

## YOU DID IT!

**YOUR SCHOOL WINS \$250!**

**KEEP GOING!**

Request 200 kits and you'll save **40,000 kWh** AND win another \$250!

That's like taking **TWO CARS** off the road for an entire year!

**15,000 kWh SAVED**

**75 KITS**

**10,000 kWh SAVED**

**50 KITS**

That's like stopping the carbon dioxide from **2.5 TONS OF GARBAGE** from entering the atmosphere!

That's like planting nearly **90 TREES!**

**5,000 kWh SAVED**

**25 KITS**

Go to [MyEnergyKit.org](http://MyEnergyKit.org) to see the kilowatt-hours of energy **YOUR SCHOOL** has saved with your kits, and color the road **green** to track your progress.

**START**
